

Custom Products

Our engineers and highly trained specialists can handle any customization request, from complex designs to any requirement in terms of shape, base, thickness, screw thread, caps or closures. Contact us with a print, a photo, or even just an idea, and we can turn it into a reality.

Materials ▶ PP, PS, HDPE, PET, PMMA

Process ▶ Injection molding, blow molding, stamping

Application ▶ Cosmetics, toiletries, food and beverage, pharmaceutical, industrial

SUSTAINABILITY

GEX: Our secret weapon that allows us to offer the most eco-friendly packaging on the planet. In an eggshell, GEX is a patented, certified, and award-winning bio-calcium sustainably sourced from eggshells that can not only reduce plastic content, but is also compatible with all plastics and creates an end product that is itself recyclable.

COMING SOON

We are very close to launching a new line of packaging using the most eco-friendly plastic on the planet. We will soon have the following options:

- Patented resin consisting of 20% ocean bound PET + 80% PCR PET + enhancer to make it the highest quality OCB and PCR PET bottle available. Transparent bottles will be available!
- Patented resin consisting of up to 50% ocean bound PET + 50% PCR PET + nano carbon enhancer. There are no other bottles on the market containing this much OCB PET, and we manage this without losing any quality.

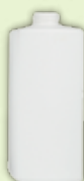

We will update our website and catalog soon to include pre-form and completed bottles, as well as complete customization services.

Core Product Catalog

These products we have the molds ready to go, and we can supply as needed. This list is constantly evolving.

Series: JDP Cream Jar Available in standard plastic and two reduced-plastic solutions			
Photo	Description	Material	SKU
	5 ml cream jar Size: Ø29.3*27.6 Color: Color matching available Decoration: Hot-stamp, Heat transfer, Sticker label, UV metalized, Printing, Spray finish	PP 100%	JDP05PP
		75% PP + 25% GEX	JDP05PP-GEX
		75% rPP + 25% GEX	JDP05rPP-GEX
	8 ml cream jar Size: Ø34*32.5 Color: Color matching available Decoration: Hot-stamp, Heat transfer, Sticker label, UV metalized, Printing, Spray finish	PP 100%	JDP08PP
